

# Fall in love again

Todd Dulaney

## Chorus

Every time I think of all  
the ways that You've made I  
Fall in love again  
And when it feels like all is lost  
You always know what to say I  
Fall in love again

## Verse

You make it look so easy                   D.       A  
                                                  D/F#    G                                           Bm    D        G  
The way You never let us slip through Your hands  
G                                            D        A  
You make my heart keep singing  
                                                  D/F#                                           G                                           Bm    D        G  
Cause it feels good to know that I'm a part of Your plan

## Bridge

F#m Em  
And I am more in love with You each day

You are the great creator  
You formed it all by speaking a word
